To Whom It May Concern,

How wonderful to receive your kind and generous gifts donated to our Food Pantry, which we gratefully picked up on September 16th. You have no idea how much this means to us and to the struggling families who rely on us!

For your records, we were graced with the following:

11 Grocery Bags filled with Food

2 Cartons filled with Food

\$20.00 Cash

\$200.00 Check representing Proceeds from your 50/50 Raffle held during the summer season

We consider ourselves to be uncommonly lucky to have your organization in our midst, and commend you once again for your commitment to our community, and your sense of “giving back”. You so wonderfully represent what makes our little town so great!

Hoping you all had a wonderful summer, and wishing you well in the days ahead –

Most sincerely,

Judy Blake for
